Buchanan Announces South Gate Post Office to Stay Open

Washington, DC -- Congressman Vern Buchanan (FL-13) announced today that after months of working with U.S. Postal officials to prevent the closure of the South Gate Post Office in Sarasota, the facility will remain open.

The U.S. Postal Service (USPS) has removed South Gate, which was dedicated to Brigadier General John H. McLain in 2004, from a list of post offices for possible closure or consolidation.
